Briefly describe your reason for requesting a membership fee reduction:

Skills:

The EDQG is a volunteer organization. All members are encouraged to volunteer, and many members help the guild in various ways in addition to paying membership fees (volunteerism ranges from serving on a committee to greeting members to making quilts for charity). Are you able to volunteer your services in any way? We would be interested in knowing what kind of skills and experience you have to offer and what types of volunteer work you might like to do.

EDQG membership fee reduction policy:

Please understand that the membership fee reduction policy of the EDQG is designed to help members who truly cannot afford the standard membership fees. The EDQG has a policy of granting a membership fee reduction on the basis of financial hardship. Application is made to the chair of the membership committee. The chair of the membership committee and the treasurer of the guild will hold personal details in confidence. To qualify for a reduction in fees, please answer the questions above in as complete a manner as possible. Members who are eligible will be granted a membership fee reduction for a period of one year.

I certify that all statements in this application are true to the best of my knowledge.
