- B. 1 - 10" solid black block, cut into 4 diagonally both ways

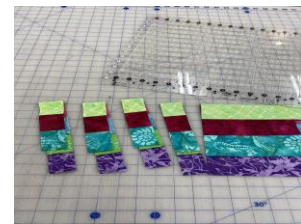

Strip set (ticker tape)

2. Trim D to fit C.
3. Sew D (2.5" x 15" strip) to each side of the ticker tape (fabrics not matching)

4. Mark the centre of the constructed strip
5. Mark the centre of the white triangle and the black triangle along the 10" side
6. Matching centre lines, sew a black triangle to one side of the strip and a white to the other side.

7. Square up the block to 10" (the ticker tape should run down the centre diagonal of the 10" square)
